

Cooking Class at CUCCINA

- In 2012, Cuccina first retail shop opened in Beijing. “Living, Cooking and Playing” is our philosophy. Mr. Andy, the founder of the brand who has always focus on food and health. He believes that cooking is a different kind of art, which can connect to people's hearts. CUCCINA is not only sells products, but also encourages customers' ties, promotes intimacy between family members and friends, and creates healthy and happy lifestyles together.

- In 2018, CUCCINA has opened a cooking classroom in our in-store kitchen. In the warm and bright kitchen area, we have a class during weeks. Our members could learn some special banking skills from professional chief. They shall totally enjoy this class and feels Cooking is FUN!

- CUCCINA have a coffee are beside the classroom. Welcome to our members to have a free coffee, taste their handwork after the class. Enjoy their achievement here. Members can also bring their personal handwork to home. Share it with family and friends.
