Candidate running to serve on DCCC North Board of Directors

Name: Kathrine Lindegaard

Company: Novo Nordisk Pharmaceuticals

Title: Senior Director FP&A and Treasury

Summary:

I would like to join the DCCC board, as I value and would like to contribute to the incentive, work and collaboration DCCC has for Danish companies in China and link to Denmark. Being part of the finance management team in Novo Nordisk pharmaceuticals China, I see great mutual opportunities. Recognizing many of the topics you discussed last year, and during my recent relocation to the role in China, I am on the journey of understanding the Chinese markets, potential risks and opportunities compared to my European market insights background. DCCC bring companies together and establish a strong link within China and to Denmark.
