

努NUSIC

## 努NUSIC

Imagine taking your favorite songs and making them into your own original mash-ups you can share with your friends. Imagine if you could do this as part of an expandable game on your phone. Imagine no longer... NUSIC is empowering everyone with DJ powers!

Through an algorithmic remix engine, an "AI DJ", a revolutionary musical fingerprinting algorithm and a Blockchain digital rights solution, NUSIC is empowering everyone to get creative with music.

### Position Title 1

Game Artist / Animator

### Description of Role

- You are a skilled and enthusiastic artist with some (or a lot of!) experience with art &/or animation to work across a variety of art tasks. Primarily, you will be working on illustrating various in-game artefacts, creating concepts of digital goods, and contributing to marketing material. However - there is room to do much more if you are a self-motivated person. This is the perfect place to grow your skillsets.

### Qualifications

- Minimum 2 years' experience in game art / animation
- University degree or above in related creative discipline
- Basic knowledge of music and technology is a plus!
- Details oriented and good at time management

### Language

English &/or Mandarin Chinese

### Additional Information

- Location: Jingan Temple, Shanghai
- Hours per week: 25-40h
- Start Date: July 2018
- Probation period: 3 months
- Salary: Competitive full-time salary

### Apply

- Demonstrates courage and integrity
- Planning & performing work in accordance with project requirements & professional standard
- Open minded, agile with change and practical
- Committed to self-develop and coaching of others for growth
- Actively shares ideas and knowledge
