Before Joining | Preparing for a Meeting

We are excited to have you taking part of a meeting on KUDO. Please refer to the items below to help you prepare and make the most of the presentation.

A Good Headset

- Ideally, a USB Headset.
  (Professional-grade is highly recommended)

- Avoid using earbuds unless you are following from your phone.

- Place the microphone close to your mouth but avoid breathing into it.

A Webcam

- An HD webcam is preferred for high-quality video.

- Point the camera directly at yourself, preferably at eye level.

- Leave enough distance between you and the camera, so your entire face is visible.

Internet Connectivity

- Use Google Chrome as your browser.

- Use a wired connection.
  (Preferred)

- If a wired connection is not available, use high-speed Wi-Fi instead.
  (Ideally, 20 Mbps download and 5 Mbps upload. 5Ghz / 802.11ac is highly recommended)

Professional Environment

- Choose a private and quiet room to speak from.

- Make sure the lighting in the room is adequate.

- Be aware of what is behind you. Choose a place where your background is free of distractions.
