Local transportation

Taxis are located on the left part of the terminal, the cost to most hotels in District 1 is from 150,000 to 180,000 dong. Do not use USD as it is an opportunity to get ripped off. Please use only the two most reliable taxi company, **Mai Linh**, with car and van white and green, and the white **Vinasun**, which is more popular in HCMC. Please ignore any name apart the two mentioned.

You can also pay in advance at the Taxi counter before going out of the airport but it will not be cheaper. Make sure you get a metered taxi!! The rates are regulated, and are based on distance and time waiting while en route. Read the cost on the meter to make sure you are not getting ripped off.

The airport exit toll fee is 10,000 dong and the driver must pay it but they will always add 10/15.000 dong at your arrival. People (touts) with fake Vinasun badge may try and grab you and direct you to their taxi, and give you a rate of 250.000/500.000 dong. Don't do it, get a metered cab instead.

Please do be careful with your belongings too.
