

Innovative Coatings Summit 2018

Sep.13th–14th 2018 | Guangzhou, China

Conference Introduction:

Innovation Coatings Summit 2018 was held in Guangzhou Tianhe Hilton Hotel on September 2018, 13-14. South China is no doubt a very important region for the domestic coating industry with many companies offering high technology located here. The two-day conference brought together more than **200** people from the R&D, production, marketing etc. in coatings manufacturing, raw materials, production, testing equipment and research institutions. **2** major theme tracks -- waterborne coatings and smart functional coatings, **18** experts' speeches covered the latest trends and market opportunities of the coating industry, innovative technologies and applications, policies for various coating-related enterprises. **20** industry solutions suppliers demonstrated the latest technologies and quality solutions for the participants to understand more cutting-edge information.

To make our summit more informative and interesting, the conference also set up a special segment in each coffee break time. There were 10 technical seminars in the exhibition area, allowing the participants to hear about the latest technology and solutions. In the Day2 afternoon, our audience was invited to Yingde Keytec Pigment Technology Co., Ltd to discover the latest technology of pigment processing. The Keytec Golf Match was also held on the 3rd day of the summit, a great platform for golf fans in the coatings industry to relax, learn and develop business.

Our summit is not only a place to learn from each other, but also a platform for you to develop your business. As the organizer, Ringier will accumulate experience and keep innovative in every event, so as to promote the communication of the industry and the healthy development of the industry.

We're looking forward to meeting you in next year.

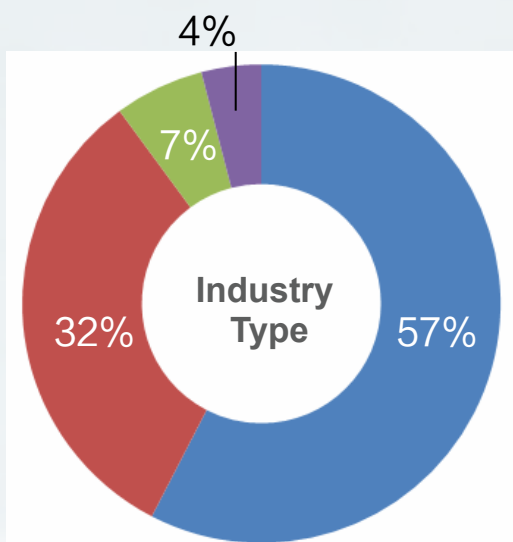

Speeches & Booths

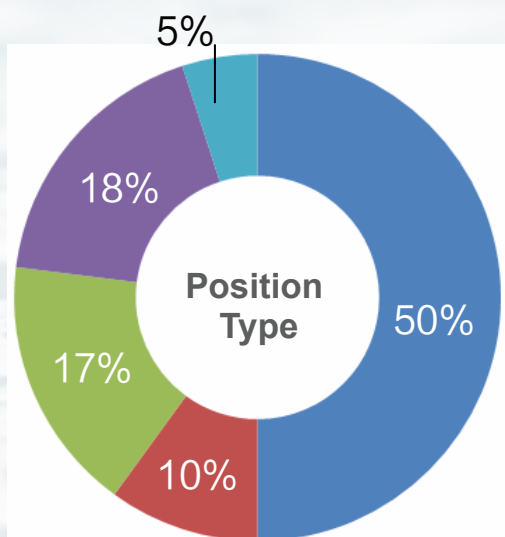

Factory Tour

Attendee Analysis

Coating Manufacturer	57%
End Supplier	32%
End User	6%
Research Institution & Association	4%

Scientist/Experts/Chemist/Engineer/Technician	50%
Production/Project/Purchasing Manager	10%
Chairman / General Manager / Deputy GM	17%
Product / Marketing / Sales/ Customer Manager	18%
Others	5%

Delegates Testimonials

Thanks for this summit. Your efforts is worthy of praise. We could keep up to date because of the study chance. Appreciated, really good, as always Ringier' s sincerity, and efforts. Very satisfied, thank you!

-Wan Hong Ink &Coatings

Very appreciated Ringier' s contributions to the promotion of waterborne coatings. Thanks for all the speakers' sharing.

-Guangzhou Yu Fa Furniture Co., Ltd.

Speakers

Ms. Hui Zhang
Guangdong Provincial Academy of
Environmental Science
Director
Topic: Environmental Regulations
and Development of Coatings Industry

Mr. Dennis Lei
PUHLER(Guangdong) Smart Nano
Technology Co., Ltd.
General Manager
Topic: Nano Grinding & Inline Dispersion
for Coatings

Mr. Hui Luo
Qingyuan Haoyu Chemical
Technology Co., Ltd.
Advanced Engineer
Topic: Technical Development and
Service for Waterborne Automotive
Coatings

Mr. Kefan Mo
Waterborne Platform
Director of policy and regulation committee
Topic: Market Scale of China's Waterborne
Coatings in Several Subdivision Fields
in 2017

Mr. Weiping Tu
South China University of Technology
Professor
Topic: Ideas and Technologies to
Control VOC

Ms. Holly Liu
Evonik Specialty Chemicals (Shanghai) Co. Ltd
Technical Market Manager-Deco Coating &
Coating Additives
Topic: AEROSIL® and ACEMATT® –
EVONIK Silica Products for WB wood
coatings

Mr. Marcel Welter
LEVACO
Technical Sales Manager
Topic: Additives for Water-Based
Coatings

Ms. Liqun Ji
Vencorex (Shanghai) Trading
Market development manager
Topic: Easaqua Range for 2 K WB Coating

Mr. John Huang
SYNTHRON
GM
Topic: Foam Control System For
Waterborne Coatings

Mr. Guowang Xue
Guangzhou Yina New
General Manager
Topic: Coatings for New Energy Battery
Materials

Mr. Chen Zhikun
Foshan Daoding Chemical Co., Ltd
Application Development Engineer
Topic: Application Share of Momentive's
Innovative Silicone Materials in
Water-Borne and UV Coatings

Mr. Qiangliang Yu
Lanzhou Institute of Chemical Physics
Researcher
Topic: Advanced Functional Protective
Coating Technology

Speakers

Mr. Biao Lv
Shenzhen Coatings Technology Society
Executive vice president,
Secretary General
Topic: Characteristics and Formulation
Design of Waterborne Nano Thermal
Insulation Reflective Coatings for Glass

Mr. Zheng Yufeng
Shaoguan Lianbang Environmental
Protection New Material Co., Ltd.
Chairman
Topic: Water-Based Environmentally Friendly
Ultra-Thin Steel Structure Fireproof Coating

Mr. Jianxin Zhang
Foshan Shunde Furniture Research and
Development Institute; Jiangxi Nankang
Furniture Research and Development
Institute; Shandong Furniture Research
and Development Institute
President
Topic: Discussion on the Development
and Application of Wood Coatings in
China Under the Severe Situation

Dr. Agingu Shi
Chemours
Technical Marketing Manager in Coatings
for AP
Topic: TiO₂ is not Only White Pigment:
System Solution to Water-Borne Wood
Coatings

Mr. Xiaoxuan Liu
Guangdong University of Technology
Guangzhou Rainda Novel Materials
Technology Co. Ltd
Professor
Topic: Development of UV-Curable
Water-Borne Coatings and Industrialization

Mr. Ducheng HONG
Hempel (Guangzhou) Coatings Ltd.
Technical Service General Manager, China
Topic: Technical Service Used in Coating
Industry and the Future Development
