Plastic & Rubber Processing Technology and Innovative Materials Application Summit & Expo 2018

Concurrent Ceremony: Ringier Technology Innovation Award 2018- Plastic Industry

Review:

“Plastic & Rubber Processing Technology and Innovative Materials Application Summit & Expo 2018” was held on Mar. 07-08 at Shanghai Marriot Hotel Parkview. The summit, with the theme of ‘Smart Plastic Manufacturing Leading Innovation’, continued expanding the scale and was divided into 7 sessions including: **Automobiles, Consumer Electronics, Medical Products, Pipes and Construction, Smart Manufacturing, Packaging** and last, but not least: **Maternal, Baby Care Products and Toys**.

The two-day conference attracted thousands of participants and over 300 companies from end-user industries. It provided a professional platform for the information exchange regarding plastic materials research, development of production technology and their implementation.

Connecting industry through information exchange!

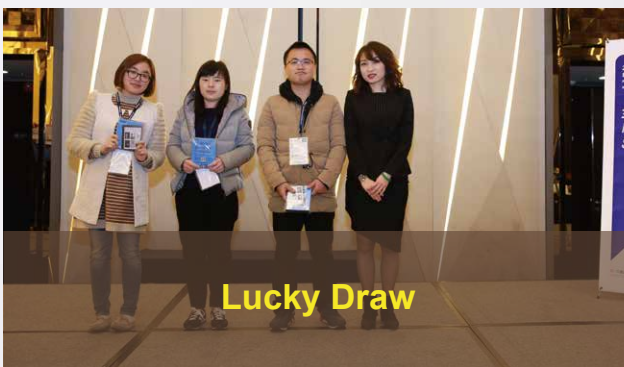

600+ Delegates, 7 Sessions, 50 Speeches, 40 Booths

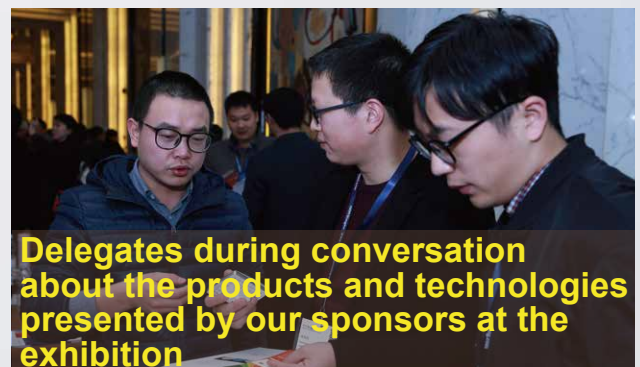

On-site Registration

Delegates focusing on the Technical Seminar Speeches during Coffee Break.

Lucky Draw

Delegates during conversation about the products and technologies presented by our sponsors at the exhibition

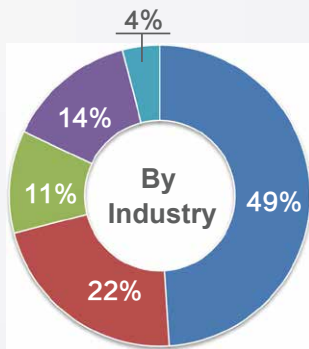

**Concurrent Ceremony:
Ringier Technology Innovation Award 2018- Plastic Industry**

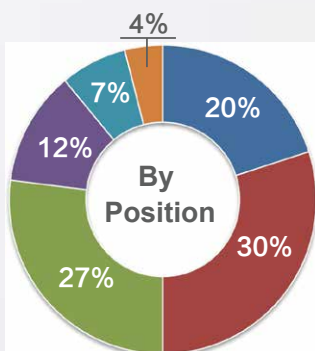

600+ industry elites from SAIC, BAIC, Brilliance Auto, FAW, Dell, Midea, Microport, Johnson & Johnson, Goodbaby, Pigeon, Radici, Piovan, Gimatic, Motan-colortronic

Attendees

- End-user Manufacturers 49%
- Parts Manufacturers / OEM/ODM 22%
- Plastic Raw Materials/ Auxiliary Suppliers 11%
- Molding / Automation / Production Equipment 14%
- Government/ Associations / Schools / Third-party Institutions and others 4%

- President / General Manager / CEO 20%
- Design/R&D Director/ Manager/ Engineer 30%
- Material/Technology Director/ Manager/ Engineer 27%
- Quality/ Production Director/ Manager/ Engineer 12%
- Marketing/Purchasing Director/ Manager/ Engineer 7%
- Government/ Association Researchers 4%

Speakers

Ms. Xiaojing HUANG
YANG DESIGN
Strategy Director
Topic: Report On The Design Trend of The Packaging Industry In China

Ms. Omi Ma
Unilever Research and Development Laboratory (shanghai)
R&D Packaging Dev. Center
Topic: The Application of PET Packaging In Product Design and Flexibility

Mr. Richard Jun Li
Innova Research
Vice President
Topic: Innovative Packaging And RFID-Based Smart Packaging

Mr. Renbing Wang
Guangzhou Xintonggu Toys Co., Ltd.
General Manager
Topic: Application of Traditional Chinese Medicine Guideline to Toys

Mr. Qi Jiang
LKK
Business Partner, Director of Strategy Department, Innovation Consultant
Topic: Chinese Maternal Market: New Consumer Experience

Mr. Steven Ding
Good Baby
Plastic Unit Engineer Department Director
Topic: New Raw Material and New Process used into Maternal and Infant Industry

Mr. Jun Qian
Wuhan University
Professor
Topic: Flexible Intelligent Maternal and Baby Products

Speakers

Mr. Peimin Hou

Shanghai Society of Plastics Industry
Director of the Information Department
Topic: Analysis of the Plastic Industry
in the Yangtze River Region

Mr. Felix Wang

Gimatic Automation Engineering
(Changshu) Co., Ltd
General Manager
Topic: Design Points of Cosmetic GMP
Workshop

Mr. Decker Guan

Motan-Colortronic Plastics Machinery Co., Ltd
Technical Service Manger
Topic: The New Central Feeding System
of Motan-Colortronic

Mr. David Qi

RADICI Plastics (Suzhou) Co., Ltd.
Strategy Marketing & BD Manager
Topic: RadiciGroup High Performed
Engineering Materials Extend Your Trip

Mr. Brian Taylor

Recycling Today Media Group
Editor
Topic: The Prospects of the Plastic
Recovery Industry and the Cases Sharing

Mr. Jason Chen

Fong Shin Technology CO., LTD
General Manager
Topic: External Decoration Technology
and Application

Ms. Shi Mo

SLC – PD - DE
Senior Consultant
Topic: Practice of BaoWu Siemens
Industry 4.0 Project and Thinking of
Intelligent Manufacturing

Mr. Alfred Au

Springfield CMF Technology Company Ltd.
CEO
Topic: Environmental Protection Film Decoration
- Application of IMD and DOD in Automobile
Decoration

Mr. Changyu Xu

Managing Director, Society of Advanced
Molding Technology
Founding Director
Topic: Micro Foaming Molding Process
for Automobile Light Weight

Mr. Ricky Yang

Piovan Plastics Machinery (Suzhou) Co., LTD
Sales Director-East Region
Topic: Technology Innovation and Typical
Case Sharing in Automotive Application

Mr. Meng Tu

CAD-IT Consultant (Shanghai) Co., Ltd.
Moldflow Technical Support
Topic: Joint Simulation and its Application
in Automobile Door Panel Assembling

Mr. Zhengsheng Ren

HVR Magnetics Co., Ltd.
General Manager
Topic: Magnetic Force Changing Mold
Assisting Industry 4.0

Mr. Vincent Lin

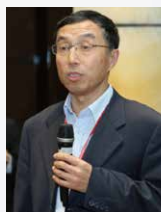

Fu Chun Shin Machinery Manufacture Co., Ltd.
R&D Center Manager
Topic: Development and Application of
Intelligent Injection Molding Technology

Mr. Dingzhong Han

Carl Zeiss (Shanghai) Co., Ltd.
Product Sales Manager of Industrial
Metrology Division China
Topic: Application of Advanced Measurement
Technology of Carl Zeiss in the Field of
Automobile Rubber and Plastic Products

Speakers

Mr. Hongfu Tian

China FAW Group Co., Ltd.
Senior Manager/Senior Engineer
Topic: Demand and Prospect of Non-metallic Materials for New Energy Vehicles

Mr. Ringo Li

Brilliance Auto R&D Center (BARC)
Principal Engineer
Topic: Analysis of the Development Trend of Automotive Interior and Exterior Materials

Ms. Xiangdan Kim

Lepu Medical Technology (Beijing) Co.,Ltd.
Regulatory Advisor/Manager, International Certification & Registration Dept
Topic: Interpret Design Changes from a Global Regulatory Perspective

Mr. Terry Liu

Wittmann Battenfeld (Shanghai) Co.,Ltd.
General Manager
Topic: Integration of Injection Molding Technology-WITTMANN 4.0

Mr. Hongyan Jiang

MicroPort Scientific Corporation
R & D Technical Support and Sharing President
Topic: Case Sharing of Medical and Implanted Biological Materials in the Development of Medical

Mr. Senyong Lin

SFDA (Shanghai)
Deputy Director, Medical Devices Safety Management Services
Topic: The Status and Prospect of Chinese Medical Instruments and Regulations?

Mr. Tingfei Xi

Peking University
Professor
Topic: Progress in Biological Evaluation of Medical Polymer Materials

Ms. Sisi Han

Frost & Sullivan
Counseling Analyst
Topic: Market Trend of Medical Equipments in China

Mr. Yuming Xiong

Midea
Director of Material Research Laboratory
Topic: Home Appliances -- a New Stage for Intelligent Materials

Mr. Leigang Zhou

Shanghai Kumho Sunny Plastics Co.,LTD
Director of Colorful-In Department
Topic: The Value and Practical Application of Non-Spray Aesthetic Plastic

Ms. Peijie Liu

OMD
Sales Manager
Topic: The Application of Green and Environmental-friendly OMD

Mr. Changyu Xu

Society of Advanced Molding Technology
Founding Director, Managing Director
Topic: The Benefits, Barriers and Solutions of Several Popular Advanced Injection Molding Technologies Applied in the Production of Home Appliances / Consumer Electronics

Mr. Hammond Kuo

PEGA D&E
Design Manager
Topic: The Development Trend and Material Application of New Intelligent Hardware

Mr. Guowei Zhang

Joyoung
Chief Material Engineer
Topic: The Application of Plastic Materials in Joyoung Home Appliances

Speakers

Mr. Oliver Qi
