

Innovative Coatings Summit 2019

Sep.3th-4th 2019
Guangzhou, China

Background:

Innovation Coatings Summit 2019 was held in Crowne Plaza Guangzhou Huadu on September 2019, 3-4. The two-day conference brought together more than 300 people from the R&D, production, marketing etc. in coatings manufacturing, raw materials, production, testing equipment and research institutions. 3 major theme tracks -- waterborne coatings, UV coatings and functional coatings, 25 experts' speeches covered the latest trends and market opportunities of the coating industry, innovative technologies and applications, policies for various coating-related enterprises. 20 industry solutions suppliers demonstrated the latest technologies and quality solutions for the participants to understand more cutting-edge information.

In the Day2 afternoon, our audience was invited to Guangzhou Xinglu Coating Engineering Co.,Ltd to discover the latest technology of Waterborne Varnish. Afterwards, our participants visited Langtech (Guangzhoyu) Machinery Co.,Ltd and discussed about the frontier application of electrostatic coating system.

Our summit is not only a place to learn from each other, but also a platform for you to develop your business. As the organizer, Ringier will accumulate experience and keep innovative in every event, so as to promote the communication of the industry and the healthy development of the industry. We're looking forward to meeting you in next year.

Attendee Analysis

Speakers

Ms. Shi Qiu

Waterborne Platform
Representative of Market Committee
Topic: Chinese Waterborne Industrial Coatings Market Research Report (Wood Coatings, Construction Machinery Coatings, Automobile Repair Paints)

Mr. Jiong Guang Ye

Executive Vice Secretary-General
Guangdong Green Supply Chain Association
Topic: Development Opportunities of Coatings Industry under the Concept of Green Supply Chain

Mr. Si Peng Wang

Deputy Technical Director
Yingde Keytec Colors Co.,Ltd.
Topic: Selection of Waterborne Industrial Coatings Paste and Solutions to Common Problems

Mr. Yong Xian Liang

Advanced Engineer
Shenzhen Environmental Research Institute
Topic: Introduction of Waste Gas Treatment of Coatings and Inks

Mr. Chun Feng Ma

Professor
Doctoral Supervisor, South China University of Technology
Topic: Degradable Self-polishing Antifouling Coatings (DSPC), A New Generation Technology

Mr. Ji bin Pu

Researcher
Ningbo Institute of Materials Technology& Engineering, CAS
Topic: New Marine Anti-corrosion Coatings

Mr. Xin Ya Zhang

Technical Director
Guangzhou Carpoly New Materials Co., Ltd.
Topic: Carpoly Waterborne Floor Coatings Technology

Mr. John Huang

GM
SYNTHRON
Topic: Substrate Wetting in Water-Based System

Ms. Su Zhou

Technical Manager of Metal Coatings Industry
DSM Resin
Topic: Development and Application of New Water-borne Resin Technology in Rail Transit

Mr. Guo Ping Shi

APAC Wood coating AD Manager
Covestro
Topic: Covestro Polyols for 2K Waterborne wood coating

Mr. Zuo Pan

Research Director
CIMC Research Institute
Topic: Research Progress of Container Green Coating Technology and Cost Control

Mr. Shao Xiang Fu

R&D Director
3trees Paint Co., Ltd
Topic: Technical Progress and Development Trend of Building Exterior Wall Coatings

Speakers

Mr. Jian Wen Yang

Associate Professor, Doctor Supervisor
Zhongshan University
Vice President, Chinese Society for Imaging
Science and Technology
Topic: Research and Application of UV/EB
Coatings at Home and Abroad (2019)

Mr. Kyoho Zhong

Technical Manager
GuangZhou Guangchuan Electronic Materials Co.Ltd.
Topic: Application on Plastic Film Surface of UV
Curable Functional Coating Materials

Mr. Raymond Zheng

General Manager
Zhongshan Jesida Fine Chemicals Co., Ltd
Topic: The R&D and Application of functional
UV curable resins

Mr. Wen Hao Li

LED Technical Manager
ShenzhenUV-ChemTech LTD
Topic: R&D of LED UV Wood Coatings

Ms. Flora Yuan

President
Guangzhou Sunnyvale New Materials Co.,Ltd.
Topic: Application of UV Curable
Materials in Optical Films

Mr. Xiao Xuan Liu

Professor
Guangdong University of Technology
Topic: Development Opportunity and
Technical Challenges for Water-born UV coatings
National Environmental Protection

Mr. Hong Jiang Zhu

Technical Director
Guangdong Sifang-victory New Materials Co., Ltd.
Topic: Introduction of Waterborne
Environmental Protection Coatings for Rail
and Automations

Mr. Ben Jin Deng

Technical Marketing and Training Manager
Jotun coatings (Zhangjiagang) Co. Ltd.
Topic: Waterborne Coatings System in
Heavy Duty Anti-Corrosion Industry

Mr. Jin Zeng

Deputy General Manager
Foshan Shunde Hongchang
Coating Industrial Co.,Ltd
Topic: Water-Borne Protective Coatings for
Aluminum-Clad Pine Wood

Mr. Xing Hong Jia

General Manager
Xi'an Lv Yang Environmental Protection
Technology Co., Ltd.
Topic: Healthy Building, Beginning with Indoor
Air: A New Functional Interior Wall Coating

Mr. Xiao Dong Zhang

Vice director of State Key Laboratory of
Environment Adaptability for Industrial
Products, China National Electric Apparatus
Research Institute Co., Ltd.
Topic: Test and Evaluation Technology for
Vehicle Coating Weatherability

Mr. Wei Zhong Jiang

General Manager
Guangzhou Sysmyk New Material Technology Co.,Ltd
Topic: Development and Application of
Super-hydrophilic Functional Nano-coatings
