

High Performance Machining Technology Conference 2018

— Precision Machining, Intelligent Automation, Laser Processing

Date: April 24 – 25, 2018

Venue: Radisson Blu Plaza Chongqing

Post Event Report

A Seminar on High Performance Machining Industry Revolution

High Performance Machining Technology Conference 2017, organized by Ringier Trade Media, was successfully held on April 24 – 25 in Radisson Blu Plaza Chongqing.

The conference focused on precision machining, intelligent automation and laser processing, at the same time, there are a large number of latest technology which is closely linked with the enterprise case sharing.

This conference is guided by the One Belt And One Road initiative, and from the perspective of Chongqing, it is closely combined with the practical needs of Chongqing to build an open highland in the western hinterland.

At the conference, participants discussed the future of Chongqing processing industry" and "intelligent manufacturing".

This event attracted more than 300 industry peers from all over the country to discuss the industrial development trend and find solutions for the efficient processing industry.

During the conference, there will be a number of innovative technology sharing sessions besides the main session, laser processing, precision machining and intelligent automation sessions.

It is worth mentioning that " Match-making Service " brings the conference to a climax.

Attending Dedication

We hope Ringier organize HPM conference in different industrial cities.

- Hauzer Techno Coating (Shanghai) Co., Ltd.

Organize HPM conferences and offer more communication opportunities.

I hope that I can participate in similar activities frequently and learn the cutting-edge technology of China's manufacturing industry.

- Chongqing Qingling Die Co., Ltd.

Thank you for Ringier's work!

Due to the rapid development of The Times, it can be discussed and shared twice a year. I wish Ringier become a benchmark!

- Chongqing Jjianshe Yamaha Motor Co.,Ltd.

I have joined in Ringier's conference four times, the organization is very effective, professional strong, to be more brilliant!

- Changhong

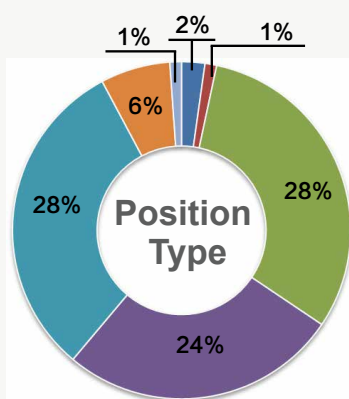

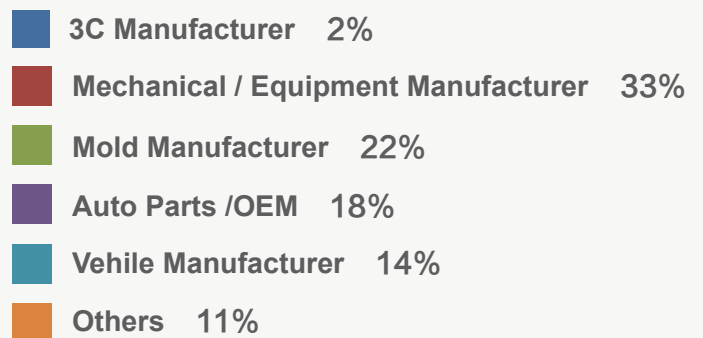

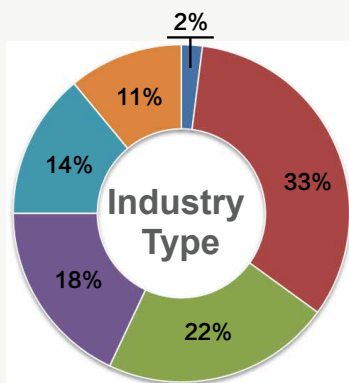

The organization is excellent.

- Quaker

HPM conference will be better and better.

-Chongqing Libo Machinery Manufacturing Co. LTD.

Participators Analysis

Speakers and Topics

Mr. Qingling Zhao | Secretary General

Chongqing Die & Mould Industry Association

Topic: Mould Industry And Mainstay Industry In Chongqing

Mr. Jie Yan | Automotive Industry Specialist

Walter WUXI Co.,Ltd

Topic: CGI High-efficient Machining

Mr. Calvin Cheng | Laser/Wire Feeder Service & Sales Supervisor

Guangzhou ABITEC Welding Equipment Company Ltd

Topic: The Technologies and Applications of Adaptive Laser Hardening & High-efficiency and Intelligent Laser Welding

Mr. Yu Zhou | Director Assistant

NIAAIN ELECTRIC (WUXI)CO.LTD.

Topic: The Application of DLC Coating in Precision Machining

Mr. Robin Dong | Senior Executive

Wu Di (shanghai) Industrial Company Ltd.,

Topic: "Good Supporter" for High Performance Manufacturer Technology

Mr. Yongwen Xia | Sales Department Manager

IHI Hauzer Techno Coating(Shanghai) Co.,LTD

Topic: Coating Technology for Modern Tools

Mr. Xing Yang | Technical Supervisor of Product

Dongfeng Motor Corporation

Topic: Digital Manufacturing Technology of Mould

Mr. Pingwei Liu | District Director-Southwest&Southern China

Yuhuan CNC Machine Tool Co., Ltd.

Topic: Integrated Solution for High Precision CNC Grinding

Speakers and Topics

Mr. Haibin Kuang | Team Leader Application

INDEX Trading (shanghai)CO.,Ltd.

Topic: Design Idea of INDEX to Meet the High-effective and Precision Machining Requirements

Mr. Daijun Huang | STA Supervisor

CAF

Topic: Hot Forming Application Trend And Challenge

Mr. Ming Li | Professor

Shanghai University

Topic: The Implementation Of The National Quality Infrastructure On The Role Of Intelligent Manufacturing

Mr. Haode Zheng | Technical Manager

Tebis China

Topic: Tebis Intelligent Automation Manufacturing Solution

Mr. Lang LI | Director

Chongqing Pingwei Technology (group) Co., Ltd.

Topic: Automatic Process Of Automobile Covering Die

Mr. Rongrui Wang | Quality Control Manager

Skyworth

Topic: Quality Control In Intelligent Background

Mr. Yougen TANG | Director

Institute of Chemical Power Sources and Materials, Central South University

Topic: Current situation and Development trend of New Energy vehicle Power Battery

Mr. Wenbin Tang | Deputy General Manager

Suzhou LEAD Laser Technology Co.,LTD

Topic: Application of Laser Technology in Automotive Industry - Lead Laser Provides You with the Best Solution

Speakers and Topics

Mr. Delong LV | Senior Engineer

Institute of New Technology Promotion of Weapon Industry

Topic: Application of New Material New Technology in Machine Manufacture

Mr. Yuanzhi RAO | Senior Engineer

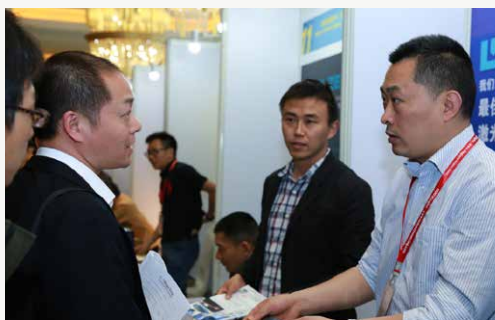

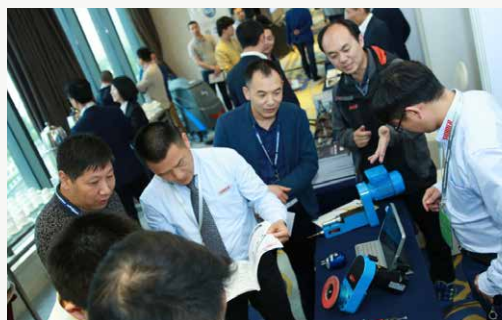

Foxconn

Topic: Analysis of Stainless Steel Precision Machining

Conference Activities

Booth Visiting

On-site exclusive showcase, supplier and user matching based on the requirements, meetings set up between potential suppliers and customers.

Innovation Zone Speech

During the conference, the Innovation Zone received a lot of attention. Face to Face with key industry contacts, build up your social network with industry manufacturers, suppliers, regulators, academicians & R&D experts.

Questions and Answers

Speakers in the HPM conference shared the latest technology and development progress of the industry, and the audiences asked questions actively.
