10th JAC CSR Forum

Sustainable Supply Chain Management: regulatory trends, new requirements and best practices

The Joint Audit Cooperation (JAC) on behalf of its 15 member companies: AT&T, Deutsche Telekom, Elisa, KPN, MTS, Orange, Proximus, Swisscom, Telefónica, Telenor, Telia Company, TELSTRA, TIM, Verizon and Vodafone, is pleased to invite you to the 10th JAC Forum, which takes place virtually online on 3rd March 2021.

In the spirit of “co-operation beyond competition” and with your valued contribution, JAC has been making continuous efforts and progress towards improving the sustainability of its members, suppliers and the ICT industry.

Building on last year’s event in Macao, where we focused on the opportunity to integrate Circular Economy solutions into the Supply Chain, this year the Forum will look at forthcoming requirements addressing

Step 3: click “Live Now” or “Agenda” to watch. Participants can use live chat, vote and select language

The screenshot displays the interface for the 10th JAC CSR Forum. At the top, there are two tabs: "Live Now" (circled in red) and "Overview". On the left, the "Agenda" section shows the date "Feb 5" and a time slot "Feb 5 3:00pm-7:00pm" for the event "Sustainable Supply Chain Management: regulatory trends,..." (circled in red). The main content area features the JAC logo and the event title "10th JAC CSR Forum" with the subtitle "Sustainable Supply Chain Management: regulatory trends, new requirements and best practices". Below this is a row of logos for various telecommunications companies: AT&T, T-Mobile, elisa, MTS, orange, kpn, proXimus, swisscom, Telefonica, telenor group, Telia Company, TELSTRA, TIM, verizon, and vodafone. At the bottom of the main area, there are three emoji icons (smiling, thinking, surprised) and two progress indicators showing "0%". A "Voting" icon (circled in red) is located at the bottom right of the main area. On the right side, the "Live Chat" section is visible, featuring a "Message" input field, a "Send" button (circled in red), and a "share comments, raise questions" annotation. At the bottom of the interface, there are two buttons: "Original Sound" and "Interpretation" (circled in red). Below these buttons, there are two labels: "English" and "Chinese translation".
