

CORNELL-CHINA FORUM

Monday, November 18, 2019 in Beijing

1:00 - 6:00 pm plus reception

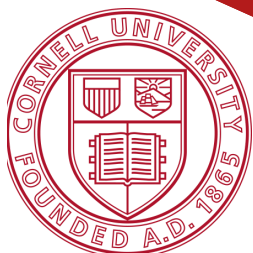

This inaugural Cornell-China Forum brings together Cornellians, industry leaders, and thought leaders for a dynamic dialogue on several forward-looking themes. The event celebrates the extensive history of Cornell-China relations as well as showcase Cornell's unique strengths in interdisciplinary research and education and the university's deep-rooted commitment to developing knowledge that benefits humanity. Panels highlight areas in which Cornell has cutting-edge collaborative research and scholarly excellence in educating next-generation leaders including sustainability, entrepreneurship, and tech innovation.
